VITA

Name   :   Miss Suma   Barnwanijakul .

Degree   :   B.Sc. in Mathematics, 1970 .

                        Chulalongkorn   University, Bangkok, Thailand.

Scholorship   :   University Development Commission (U.D.C)

                        Thai Government, 1973-1975.
