LIST OF PUBLICATION

A. Yofy and W. Benjapolakul. Performance Improvement of Paging Extensions for Mobile Internet Protocol based on Regional Registration and Multicasting. *ECTI-CON 2007*, 9-11 May 2007, Chiang Rai, Thailand.

BIOGRAPHY

Andrianus Yofy was born in 1982 in Semitau, a small town in West Kalimantan, Indonesia. He spent his childhood in his hometown until junior high school. He finished his senior high school at Taruna Nusantara boarding school in Magelang, Central Java, Indonesia. He then continued his study in Department of Electrical Engineering, Faculty of Engineering, Gadjah Mada University, Yogyakarta, Indonesia. He received his Bachelor of Engineering degree in 2004. He was awarded AUN/SEED-Net scholarship to continue his study in Department of Electrical Engineering, Faculty of Engineering, Chulalongkorn University, Bangkok, Thailand in 2005. His research interest is in Mobile Internet Protocol in telecommunication system.
