APPENDIX

APPENDIX A: Effect of temperature on the complex viscosity of compatibilized blends

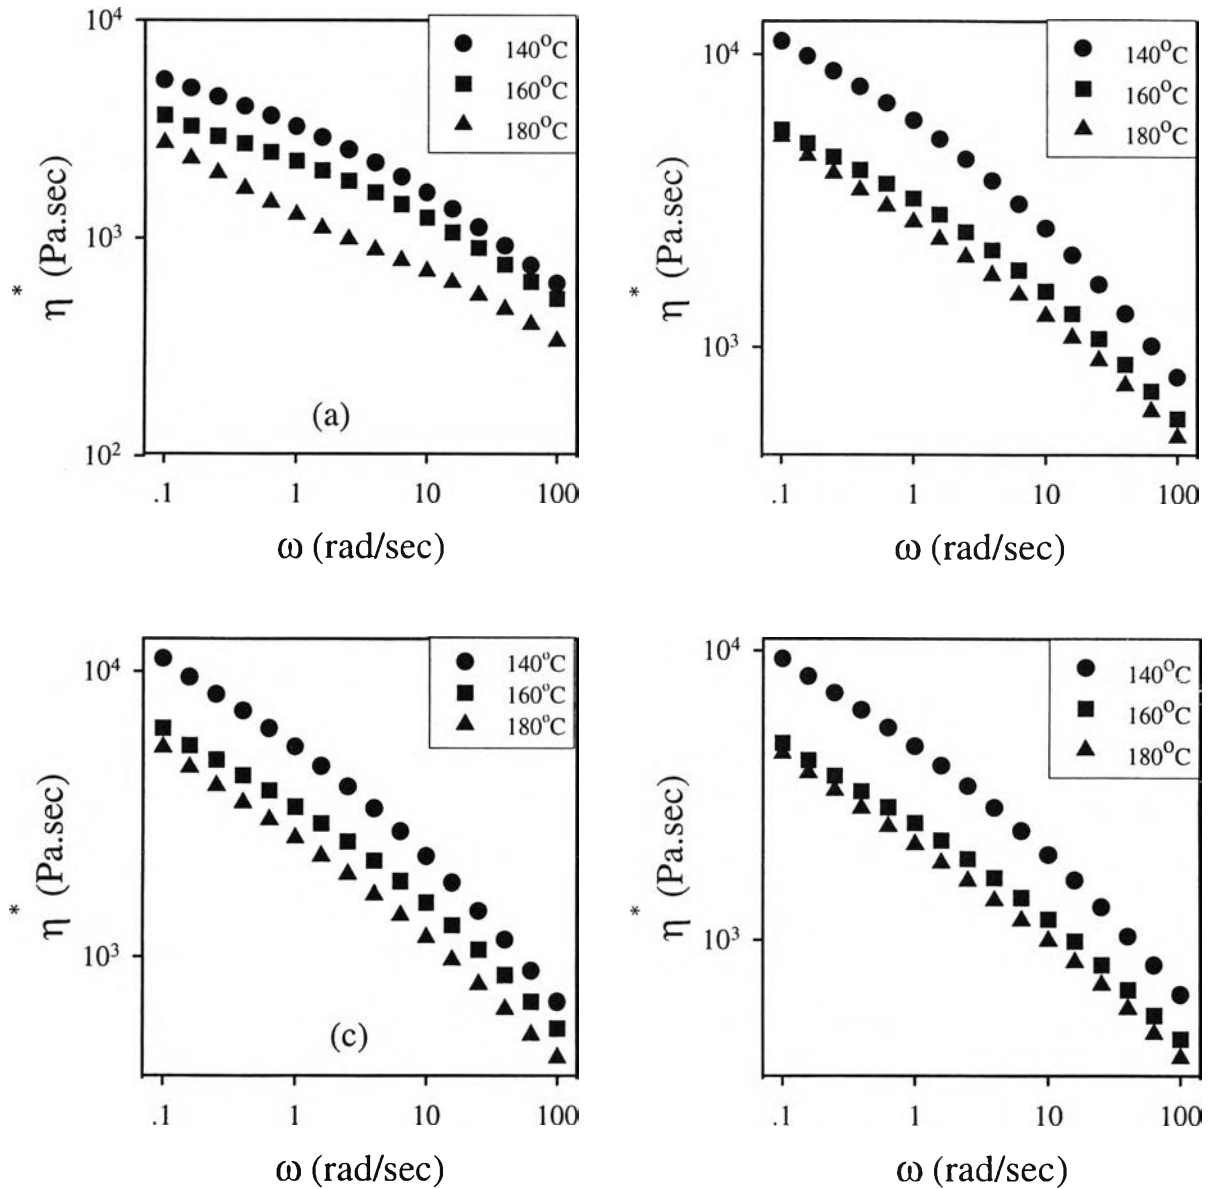

Figure A The complex viscosity as a function of frequency at different temperature for 70/30 LLDPE/NR blends at various %MA: (a) 1%MA, (b) 3%MA(c) 5%MA and (d) 7%MA

CURRICULUM VITAE

Name: Ms. Kunjana Intharuksa

Date of Birth: 28 December 1972

Nationality : Thai

University Education:

1990-1994 Bachelor Degree of Science in Chemistry, Kasetsart
University.

Working Experience:

1994-1995 Position: Researcher.
Thai Nam Plastic Co., Ltd.

1995-1997 Position: Instructor.
Faculty of Liberal Art and Science,
Kasetsart University.
