# Biography

**Name:** Mister Adisak SUKUL.

**Date of Birth:** 26th August, 1979.

**Educations:**

- Ph.D., Program Computer Science, Department of Mathematics, Faculty of Science, Chulalongkorn University, Thailand, (June 2005 - May 2010).
- Visiting scholar, Department of Electrical and Computer Engineering, Iowa State University, USA, (November 2007 - November 2008)
- M.Sc. Program Information Science, Faculty of Information Technology, King Mongkut's Institute of Technology Ladkrabang, Thailand, (June 2001 - March 2003).
- B.Sc. Program Computer Science, Faculty of Science, King Mongkut's Institute of Technology Ladkrabang, Thailand, (June 1996 - March 2000).

**Publication papers:**

- A. Sukul, J. M. Chang and P. Bhattarakosol. Network Coding-Based Relay for IEEE 802.16j Multi-hop Relay Network. Proceedings of the IEEE 12th International Conference on Advance Communication and Technology (IEEE ICACT 2010), Phoenix park, South Korea, 2010.
- A. Sukul and P. Bhattarakosol. Adaptive Travel Time Path Selection Hierarchical Index Road Network. Proceedings of the IEEE International Conference on Systems, Man and Cybernetics 2006, Taipei, Taiwan, R.O.C., 2006.

**Work:**

- Managing Director, Founder, STAQ Technologies Co., Ltd., (April 2002 - Present).
- IT Manager, Best Books On-line Co., Ltd., (August 2001 - Present).
- Wireless Application Developer, M-Web (Thailand) Limited and KSC Commercial Internet (June 2000 - August 2001).

**Scholarship:**

- THE 90th ANNIVERSARY OF CHULALONGKORN UNIVERSITY FUND (Ratchadaphiseksomphot Endowment Fund), (May 2009).
- Office of the Higher Education Commission, Thailand. (June 2005 – October 2007).
