## CURRICULUM VITAE

**Name:** Ms. Chachchaya Thunyaratchatanon

**Date of Birth:** October 16, 1988

**Nationality:** Thai

**University Education:**

2007 – 2010 Bachelor Degree of Enigneering in Chemical Engineering, Faculty of Engineering, Sirindhorn International Institute of Technology, Thammasat University. Pathum Thani, Thailand.

**Work Experience:**

2010 Position: Internship Student

Company: PTT Public Company Limited, Thailand

**Proceedings:**

1. Thunyaratchatanon, C., and Luengnaruemitchai, A. (2013, April 23) The Effect of Metal Type on Partial Hydrogenation of Polyunsaturated FAMES for Biodiesel Upgrading. Proceedings of The 4<sup>th</sup> Research Symposium on Petrochemical, and Material Technology and The 19<sup>th</sup> PPC Symposium on Petroleum, Petrochemicals, and Polymers, Bangkok, Thailand.

**Presentation:**

1. Thunyaratchatanon, C., and Luengnaruemitchai, A. (2013, April 23) The Effect of Metal Type on Partial Hydrogenation of Polyunsaturated FAMES for Biodiesel Upgrading. Poster presented at The 4<sup>th</sup> Research Symposium on Petrochemical, and Material Technology and The 19<sup>th</sup> PPC Symposium on Petroleum, Petrochemicals, and Polymers, Bangkok, Thailand.
