CURRICULUM VITAE

Name: Ms. Rapeporn Thiensuwan

Date of Birth: August 6, 1987

Nationality: Thai

University Education:

2006-2010 Bachelor Degree of Chemical Engineering, Faculty of Engineering, King Mongkut's University of Technology North Bangkok, Bangkok, Thailand

Presentations:

1. Thiensuwan, R.; Rangsunvigit, P.; and Kulprathipanja, S. (2013, April 23) Crystallization of Chloronitrobenzenes with the Presence of Adsorbent: A Phase Diagram Study. Poster presented at The 4th Research Symposium on Petrochemical and Materials Technology and The 19th PPC Symposium on Petroleum, Petrochemicals, and Polymers, Bangkok, Thailand.
2. Thiensuwan, R.; Rangsunvigit, P.; and Kulprathipanja, S. (2013, August 18-23) The Change in the Crystallization phase diagram of *m*- and *p*-Chloronitrobenzenes in the Presence of KY Zeolites. Poster presented at 9th World Congress of Chemical Engineering, Seoul, Korea.
