VITA

Miss Wimonmas Srinarang was born on Tuesday 29th November, 1988 in Bangkok, Thailand. She graduated from Satree Settabutbumpen School in 2006. Then, she entered the Department of Chemistry, Faculty of Science, Chulalongkorn University and received a scholarship from the Development and Promotion of Science and Technology Talents Project (DPST). She completed her Bachelor of Science degree in Chemistry in 2011. After graduation, she continued her graduate study in analytical chemistry focusing on chromatographic separation at the same university. She will complete her Master of Science Degree in 2014. Her current address is 123 Moo.7, Soi Narongkit 5, Ramintra 39, Tarang, Bangkhen, Bangkok 10220, Thailand.
