EMPLOYMENT EXPERIENCE:**July 2003 – Present**

*Department of Obstetrics, Gynaecology and Animal Reproduction,
Faculty of Veterinary Science, Chulalongkorn University, Bangkok, Thailand.*

Position: Instructure

- Field practice and teach in reproduction of farm animal.
- Practice and teach in Infertility and Neutering clinic in Chulalongkorn University Veterinary Teaching Hospital.
- Research in epididymal sperm and contraception in companion animal.

March 2000 – February 2001

*Department of Obstetrics, Gynaecology and Animal Reproduction,
Faculty of Veterinary Science, Chulalongkorn University, Bangkok, Thailand.*

Position: Teaching assistant

- Practice and teach in Infertility and Neutering clinic in Chulalongkorn University Veterinary Teaching Hospital.

August 1999 – March 2000

Chulalongkorn University Veterinary Teaching Hospital, Bangkok, Thailand.

Position: Clinician

- Practice surgery, reproduction and general medicine.

March 1999 – August 1999

Thonglor Pet Hospital, Bangkok, Thailand.

Position: Clinician

- Practice general medicine.

EDUCATION:

2001 – Present: Master of Science in Theriogenology, Faculty of Veterinary Science, Chulalongkorn University, Bangkok, Thailand.

- Concentration in Theriogenology of companion animal .
- GPA 4.00.
- Thesis title : Effect of GnRH agonist implantation on reproductive performance of prepubertal female dogs.

1993 – 1999: Doctor of Veterinary Medicine, Faculty of Veterinary Science, Chulalongkorn University, Bangkok, Thailand.

- GPA 3.28.
- Project for graduation: Prevalence of canine immune-mediated hemolytic anemia in Thailand.
