## VITA

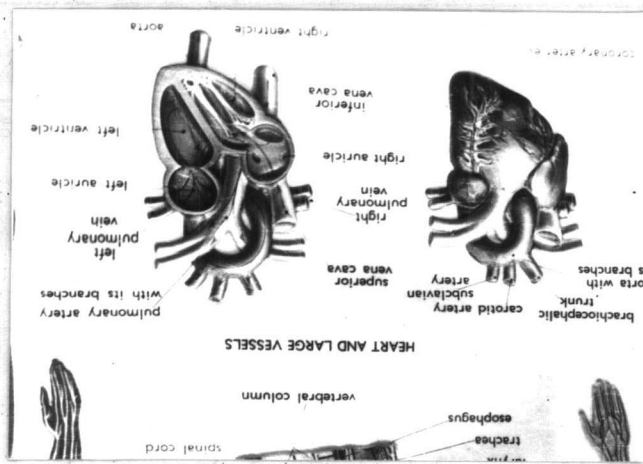

**Name** Miss Nipaporn Kungskulniti

**Education** Bachelor of Science in Pharmacy in 1974  
Faculty of Pharmaceutical Sciences,  
Chulalongkorn University,  
Bangkok, Thailand.

**Position** Instructor of Microbiology Department of Microbiology,  
Faculty of Pharmaceutical Sciences, Chulalongkorn  
University, Bangkok, Thailand.

Key points about the extraction of oil from the ground are demonstrated clearly by means of this working model. Obviously such a process cannot be seen as a whole in an actual oil field.
