Vita

Mr. Kittipong Boonlong was born in Phang-nga, Thailand on 16 June, 1975. He obtained a Bachelor Degree in Mechanical Engineering at Prince of Songkhla University in 1998 and Master Degree in Mechanical Engineering at King Mongkut Institute of Technology North Bangkok in 2001. Thereafter, he started the study for Doctoral degree in Mechanical Engineering at Chulalongkorn University in 2002.
