  - (9) O.R. Frisch, Progress in Nuclear Physics, 2, (Pergamon Press Ltd. 1952).
  - (10) Farrington Daniels, Experimental Physical Chemistry, 6th. Ed., (Mc Graw-Hill Book Company, Inc., 1962).
-

Mr. Sho Salichan was born in Rajaburi, Thailand, in 1935. He received the Elementary Teacher's Certificate (E.T.C.) from the Prankorn Teachers' Training College in 1956, and in 1959, he received the Secondary Teacher's Certificate (S.T.C.) from the Ministry of Education. He was graduated with a B.Sc. Degree in the branch of physics, Chulalongkorn University, in 1960. He joined the physics staff of The College of Education, Prasarnmitr, in 1960.
