VITA

Mr. Somchai Thayarnyong was born in Nakornpathom, Thailand, in 1938. He passed his 8th Grade at the Pre-University school in 1959. After that he entered the Faculty of Science, Chulalongkorn University and graduated with honours in 1963. Upon his graduation he joined the staff of the Physics Department. At present he is a graduate student in the Graduate School of Chulalongkorn University.
