VITA

Mr. Somphong Jitman was born on May 30, 1982 in Nakhonsithammarat, Thailand. He has been under the support of the Development and Promotion of Science and Technology Talents Project (DPST) since 2000. He got a Bachelor of Science in Mathematics with the first class honors from Prince of Songkla University in 2005. Then he has furthered his master program in mathematics at Chulalongkorn University.
