BIOGRAPHY

Miss Anchalee Chiabchalard was born on September 3rd, 1967 in Bangkok, Thailand. She graduated with Bachelor degree of Sciences in Medical Technology from Faculty of Medicine, Chulalongkorn University in 1989 and Master degree of Sciences in Biochemistry from Faculty of Sciences, Chulalongkorn University in 1994. She also graduated with Bachelor Degree of sciences in Biology (Cum Laude) from Oregon State University, USA in 1999. She has worked as an instructor in Department of Clinical Chemistry, faculty of Allied Health Sciences, Chulalongkorn University since 2001. She has studied for Doctorate degree in Biomedical Sciences Program at Graduated School, Chulalongkorn University since 2003.
