CURRICULUM VITAE

Name: Mr. Atsadawuth Siangsai

Date of Birth: August 13, 1984

Nationality: Thai

University Education:

2003-2006 Bachelor Degree of Engineering, Faculty of Engineering and Industrial Technology, Silpakorn University, Nakorn-Prathom Thailand

Proceedings:

1. Siangsai, A., Suttisawat, Y., Sridechprasat, P., Kitiyanan, B., Rangsunvigitt, P., and Kulprathipanja, S. (2008, October 15-18) Effect of TiO_2 on Hydrogen Desorption/Absorption of Ternary Mixture of Complex Hydrides, the International Workshop Process Intensification 2008 (IWPI2008), Tokyo, Japan.
2. Siangsai, A., Suttisawat, Y., Sridechprasat, P., Kitiyanan, B., Rangsunvigitt, P., and Kulprathipanja, S. (2008, November 16-21) Investigation of Ternary Mixture of Complex Hydrides for Hydrogen Storage Materials Development, the American Institute of Chemical Engineering (AIChE's 2008 Annual Meeting) Philadelphia, Pennsylvania, USA.
3. Siangsai, A., Suttisawat, Y., Sridechprasat, P., Kitiyanan, B., Rangsunvigitt, P., and Kulprathipanja, S. (2008), "*Effect of Ti-Compounds on Hydrogen Desorption/Absorption of $LiNH_2/LiAlH_4/MgH_2$* ", Journal of Chemical Engineering of Japan, Submitted.
