BIOGRAPHY

Miss Panittamat Kumlangdudsana was born in Nakon Sri Thammarat, Thailand, on October 27, 1981. She received her Bachelor's degree in Engineering majoring in Petrochemical and Polymeric Materials from Faculty of Engineering and Industrial Technology, Silpakorn University in February 2004. For her master degree, she studied in Applied Polymer Science and Textile Technology program at Department of Materials Science, Faculty of Science, Chulalongkorn University from May 2004 and completed the program in April 2006.
